My Dear Cousin:

I received the nice bloomers you sent me and must say that I certainly appreciatid them. I thank you so much.

I hope you are enjoying Christmas. I surely am enjoying the holidays, for I have had my first experience, in being away from home, this year.

I like my School work fine. I have completed one term's work and part of another. I will return to Belton monday where I will take up my regular work.

I hope these few lines will find you enjoying the best of health, and I'm wishing you a prosperous new year. Thanks again for the nice gift.

Sincerely yours
Lorene Collier
